

# DAY OF PRAYER FOR THE LEGAL PROTECTION OF THE UNBORN

A great prayer for life is urgently needed,  
a prayer which will rise up throughout  
the world. Through special initiatives  
and in daily prayer, may an  
impassioned plea rise to God,  
the Creator and lover of life,  
from every Christian  
community, from every  
group and association,  
from every family  
and from the heart  
of every believer.

*Pope Saint John Paul II,  
Evangelium Vitae, no. 100*

**JANUARY 22  
2016**

The first of the signs given by Jesus was at Cana in Galilee.

That we open our hearts and allow the Holy Spirit to work God's plan through each of us. *"To each individual the manifestation of the Spirit is given for some benefit."* (1 Corinthians 12:7) St. Paul tells us that God has blessed each of us for a reason. How has God blessed you? Are you using your gifts according to God's plan; helping to do His work here on earth? Remember that if you don't do the work God planned for you, no one else can do it.

Proclaim  
his marvelous  
**Deeds**  
to all the nations.

On Care For Our Common Home

### Encyclical Discussion Groups

Hosted by Bob Whitmarsh

Pope Francis released his second encyclical in May of 2015. It is addressed to every person on the planet. The wide-ranging document asks us to consider the world we want to leave to our descendants, and to consider the crisis our planet is undergoing.

Our challenges are both social and environmental, and the Holy Father asks us to enter dialogue and commit to action.

Please join us in small group discussions that are designed to help us explore and dialogue with this important document. In addition to the discussions, there will be prayer and reflection time, as well as ideas to help Catholics respond to Pope Francis' message.

Given the number of rich themes on which Pope Francis focuses in *Laudato Si'*, only one topic per session will be discussed.

## SECOND SUNDAY IN ORDINARY TIME

Dear Members and staff,

I struggle with this letter and the words to convey to you all how much your support and contribution you have made to GAP (grandparents as parents) means to us. Words seem to be inadequate to express what your Church and its members have done for us.

I can truly say that if not for your support we would struggle to exist. Year after year you have made our Christmas a success. Your members have given to grandparents the ability to have a Christmas without the stress of not having the ability to provide gifts for their children. You listened with your hearts. So many of these kids got exactly what they have only been able to dream about. They filled out their requests with only a small hope that they would receive these gifts.

GAP works with these families all year long. They are not just a name on paper but truly people who are struggling to just provide the essentials. Christmas is the hardest time for them as they do not have the money for any luxuries or gifts.

Saint Michael's members also give them dignity. These grandparents do not receive any government assistance at all. They are a proud and grateful population. Many are working minimum wage jobs, many are single grandparents. Also so many are on fixed incomes and are taking in multiple children. The stress of providing for these kids sometimes is debilitating. They are not the typical low income, as they have worked and contributed to society all their lives but suddenly found themselves supporting children that have been abused physically and emotionally.

Thank you alone is not sufficient to express how you have impacted their lives. Please accept my humble gratitude and that of all the children and families you have helped this year as you have done for so many years. Gap is forever in your debt.

You all are vessels of GOD and truly are respected and appreciated. GOD BLESS each and every one of you.

Gail Mizell, GAP coordinator
