***"There are no strangers here...
only friends you haven't met."***

And if a house is divided against itself,
that house will not be able to stand.

We return today to Sundays in Ordinary Time. In a sense "Ordinary Time" is time that falls outside the major holy seasons of the year: Easter, Christmas, Advent, and Lent. But Ordinary Time is not just the absence of a major season any more than our lives are ordinary on days that are not holidays. Ordinary Time forms the foundation of the liturgical year; after all, it comprises almost two-thirds of the calendar. May we appreciate the heft of Ordinary Time as we settle into the longest season of the year.

Elder Abuse can happen to anyone and it can take many different forms. Most cases of abuse reported to Adult Protective Services involve "self-neglect." Many of these people are vulnerable to abuse because they live alone or are dependent on someone else for their care. Texas law requires the reporting of elder abuse or the suspicion of elder abuse. *If you know of someone who cannot care for himself/herself, or who is being abused, neglected or exploited*, whether they live alone or with a spouse or caregiver, you are required to report the abuse. The number is 1-800-252-5400; your report will remain confidential. For additional information, please contact the Office of Aging at 713-741-8712.
