

## **2018 Volunteer Opportunities** **At Shipwrecked VBS**

Welcome to Shipwrecked: Rescued by Jesus! In just a few short months, the Spiritual Learning Center will be getting a makeover as we begin a unique adventure at VBS! Kids will worship God through songs and prayer, experiment with Sciency-Fun Gizmos, and discover life-changing Bible truths in fun and memorable ways.

To have the best adventure possible, we need lots of volunteers who can give some time, energy, and love to the kids who will attend. Let me share a few ideas about ways you might be able to make this program a success. Volunteers over the age of 18, must be VIRTUS trained.

**Station Leaders:** Use easy-to-follow station leader manuals and prepare one 20-minute session each day, which you will repeat with four different groups of approximately 25 kids. We need leaders for the following stations:

**Crew Leaders & Assistant Crew Leaders:**

Shepherd a class group of elementary or preschool children throughout each day's activities...and there's no preparation!

**Actors:** Guess what? There are also a few spots for anyone who's dramatically inclined!

**Registration:** Help check in volunteers and children every morning from 8:30-9:15 a.m.

**Decoration:** Help create our fabulous sets and decorations for a week of fun. Dads and teens are needed to help with this fun project!

We believe that God will use this incredible program to reach many children with the message of His love, so please prayerfully consider your role in Shipwrecked VBS. Feel free to contact me by email, phone, or in person if you have any questions. For more information, or to sign-up to volunteer, visit:
